Nail Technician/Manicurist

I want to provide professional and courteous manicure services, using the standards I have learned while taking my nail technician certification course. I enjoy working one on one with clients, and my friends and family enjoy the custom nail art that I give them. I have been practicing artificial nail enhancements since 2018 on friends and family, and I have become popular in my church and circle of friends for my nail art.

Education

- Moraine Park Technical College, Fond du Lac, WI]
- Certificate | Graduated December 16, 2021
- Nail Technician Certification
- All coursework completed with a 90 to 100% score

Experience

[April 2014] – [January 2015]

Delivery Driver/In-Shopper | Jimmy John's | Fond du Lac, WI

Delivery Driver's primary responsibility is to deliver sandwiches to customers in the designated delivery area. Drivers are expected to check all products for accuracy against quality standards and deliver products to customers in a safe, courteous, and timely manner. Drivers will also work as an In Shopper when no deliveries are scheduled.

[September 2010] – [February 2013]

Kitchen Crew | Culver's | Fond du Lac

Kitchen Crew members fulfil a variety of food service duties. These include pressing fresh burgers and chicken onto the grill, cooking it to the proper temperature, cooking fries and other sides in the deep fryers, preparing the sandwiches to the customer's order, preparing the salads, serving soups, keeping the dishes clean and sanitized, keeping the sandwich preparation bar fully stocked with fresh produce and condiments, keeping the kitchen freezer stocked with products.
