Experience

Once Upon a Child | Brookfield, Wisconsin Cashier/ Floor Assistant | 01/2022 - 06/2022

As a cashier/floor assistant our job was basically doing everything around the store, checking people out, putting stuff out on the floor, cleaning, and other day to day responsibilities. As this was a retail job I always had to be communicating with my boss, co-workers and customers, which adapted my communication skills further.
